

## Literacy

- \* We will be researching facts about Roman dining.
- \* Learn how to write a non-chronological report
- \* We are learning to understand how to spell and when to use prefixes

Links will be made with history and RE.

## Art

We will be making light and dark pictures linked to our work in RE.

## Science

We will be making a mechanical object using forces and writing instructions about how it was made.

## Maths

*Our target is learning times and division facts by heart.*

We are focussing on fractions

- \* recognise and show, using diagrams, families of common equivalent fractions
- \* solve problems involving increasingly harder fractions to calculate quantities, and fractions to divide quantities, including non-unit fractions where the answer is a whole number
- \* add and subtract fractions with the same denominator
- \* recognise and write decimal equivalents of any number of tenths or hundredths
- \* recognise and write decimal equivalents to  $\frac{1}{4}$  and  $\frac{1}{2}$   $\frac{3}{4}$  and  $\frac{1}{5}$
- \* round decimals with one decimal place to the nearest whole number
- \* compare numbers with the same number of decimal places up to two decimal places

## The Romans Autumn 2

## Health and wellbeing

Through anti-bullying week we will be reading the book, 'The Angel at Nitshill road and discussing issues to do with bullying.

## Topic

We will be learning about how rich and poor Romans ate.

This will be in preparation for our Roman day celebration.

We will be researching facts about the Roman empire.

## Religious education

We are exploring why Christians believe that Jesus is the light of the world and how it links to the celebration of Christmas.

## Physical education

The children will be taught team games skills through netball, bench ball and football.

The children will be going swimming this half-term as well.
