

Eco-Warriors' Newsletter 3 January 2026

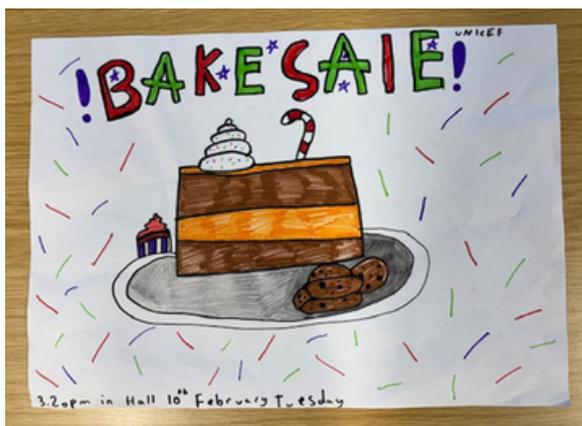

Eco-Committee Plans Spring Term 2026 Global Citizenship

The Eco-Committee is committed to addressing global environmental issues. They have investigated the work of UNICEF (United Nations International Emergency Fund), with a particular focus on the WASH (Water, Sanitation and Hygiene) initiative.

This programme aims to safeguard children's futures worldwide by ensuring access to safe drinking water and proper sanitation facilities, which are vital for preventing disease and for improving lives.

As a result of their learning, the Eco-Committee would like to support the WASH initiative through fundraising and will be hosting a bake sale in the hall at **3:20pm** on **Tuesday 10th February**. The Eco-Team will also deliver an assembly to the whole school in Spring 1 to share their knowledge and to explain the important work of UNICEF.

Porter Croft Eco-Code:
Together We Will Make a Difference

 We switch off electricity and save energy.

 We reduce, reuse and recycle our waste.

 We walk, scoot or cycle whenever possible.

 We look after plants and wildlife.

 We save water and prevent wastage.

 We reuse, swap and/or donate useful items.

 We eat less meat when we have the choice.

Eco-Committee Plans Spring Term 2026

Energy

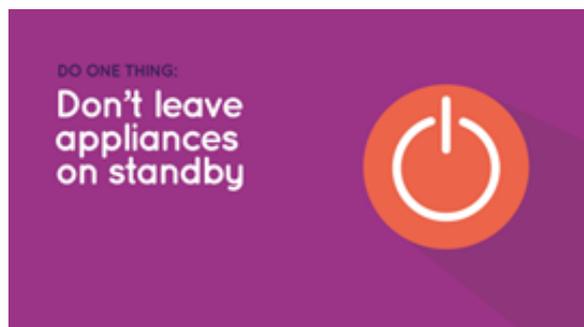

The Eco-Committee will continue their work on reducing energy usage in school in Spring 1. Their next key action will be to meet with Mrs Moxon to review all the energy saving measures that have been implemented to date and to discuss next steps - which we will share in our next newsletter. The children will also track energy usage in school through the Energy Sparks portal. Please see below for the type of energy measures that they will be discussing.

Congratulations to both Arya and Ena, who are the worthy winners of the energy saving poster competition that we ran in Autumn 2. Their winning designs can be seen on the Eco-Display.

Energy Saving Tip 2 - Aaron (Y6)

Never leave devices on standby, always turn them off.

ENERGY POSTER COMPETITION WINNERS

KS1 Winner Y2 - Arya Hasan

KS2 Winner Y4 - Ena Wilson-Smith
